

Trane, a Division of Ingersoll-Rand - www.trane.com

Equipment and Systems

- Complete line of light commercial, commercial and industrial HVAC products & systems
- Energy analysis, HVAC training programs, and systems application expertise

Building Automation

- Complete line of building automation solutions for large and small facilities
- Energy conservation solutions - IAQ, LEED™, demand side management
- Web based/networked systems

Building Services

- OEM warranty service and support
- Performance based HVAC systems maintenance programs

Performance Contracting

- PACT™ - "Performance Agreement for Comfort from Trane"
- Guaranteed performance based contracting
- Comprehensive contracting solutions with a focus on "Total Cost of Ownership", best value, and energy conservation

BRD Noise and Vibration Control, Inc. - www.brd-nonoise.com

- Designs and manufactures noise reduction systems for industrial and commercial equipment
- Designs and manufactures HUSHCORE™ acoustical products and systems
- Provides application design support, site surveys and testing/analysis

Building Logix - www.buildinglogix.net

- EnergyLogix tool provides real time display of utility consumption and built in analytics
- Trendview tool is a power data warehousing engine for diagnosing and automation performance for single and multiple buildings' systems
- Tenant Energy Services tool empowers property managers to track, control and invoice for energy usage on a per tenant basis, create billing periods and print/email invoices

Airguard Industries - www.airguard.com

- Full line of air filtration products for the commercial, industrial, and institutional markets
- Antimicrobial filters – polyester media, ring panels and links, pleated panel filters, etc.
- Gas phase adsorbers – ultra high efficiency gas phase adsorbers, activated carbon

Calmac Corp. - www.calmac.com

- World leader in the product design and manufacture of thermal energy storage systems

ClimateWorx - <http://www.climateworxinternational.com/>

- CW/DX/A/C/Glycol Cooled DX Computer Room Units
- Vertical Floor Mounted
- Wall & Ceiling Mounted
- High Density In Row
- Physical IT Infrastructure: Racks, Cabinets, Hot/Cold Aisle Containment

Conserv - www.conserv.com

- Total energy fixed plate energy recovery
- Stand alone ERV, add on for packaged airside products, custom applications
- AHRI 1060 Certified

DataThermic

- Closed loop cooling system
- Patented blade server cabinets (up to 30 kW per cabinet)
- High density-high Efficiency data center infrastructure
- Cooling Engine & POD system for low density systems

Dynamic Air Cleaners- www.dynamicaircleaners.com

- Unique space saving electronic air filter panels with stand alone or duct mounted self contained filtration units
- Dynamic RS-3 Germicidal Air Purification System controls all three elements of indoor air pollution: particles, biologicals and gas phase (VOC's) for superior air quality
- Dynamic Germicidal Units combines two patented technologies, actively polarized media air cleaning and traversing UV light, to provide highly effective means to capture and inactivate airborne pathogens
- Dynamic Panels can retrofit into virtually all HVAC systems, providing high efficiency air cleaning

Energy Print- www.energyprint.com

- Energy monitoring and analysis Software as a Service (SaaS) for cataloging utility costs and consumption data obtained directly from the utility
- Provides a simple and cost effective platform to make energy understandable with accurate, up-to-date data allowing users to identify and prioritize energy savings opportunities and measure payback

Genesis Air- www.genesisair.com

- Design and manufacture of Trane Catalytic Air Cleaning System (TCACS)
- Filtration System combining MERV rated filters, integral UV lights and special material to produce chemical reaction which combats organic and inorganic particles
- Can be used with both new and existing AHUs

Indeeco - www.indeeco.com

- Design and manufacture of electric heating equipment and electronic controls for industrial and commercial applications
- Duct heaters, cooling tower heaters, unit heaters, circulation heaters, explosion-proof heaters, heat transfer systems, process air heaters, storage tank heaters and impedance pipeline systems
- Electric cabinet heaters, unit heaters, and baseboard heaters

Innovent Air Handling Equipment - www.innoventair.com

- Custom energy recovery units
- Custom air handling units
- Dessicant humidifiers
- Packaged refrigeration (heat pumps, A/C, and evaporative condensing)

LG- www.lg.com

- A/C and heat pump model PTAC units
- Feature electric heat, digital control display, high efficiency rotary compressor and freeze room protection

Lynxspring - www.lynxspring.com

- JENEsys tool proconnectivity, integration, interoperability, internet enablement and control solutions for a building's systems and owners have an open and scalable platform
- JENEsys Harmony is designed to automate integration of BACnet and LonWorks control devices into a Tridium JACE and automates control devices commissioning with flexibility to add, upgrade and manage new functionality to existing building automation systems.

Markel- www.markel-products.com

- Electric wall heaters
- Electric cabinet unit heaters
- Electric baseboards

Multistack - www.multistack.com

- Modular water chillers and water-to-water heat pumps, air and water cooled
- Maglev compressor air and water cooled chillers
- Heat recovery chillers
- Chillers with integrated pumping stations and hydronic specialties

Rosemex - www.rosemex.com

- Industrial units
- Custom enclosures and custom air handling units
- Air valves

Renewaire - www.renewaire.com

- Static-plate total energy recovery ventilators
- Packaged commercial indoor, rooftop and rooftop direct connect units
- Applied series cabinets for custom engineered projects
- 100% dedicated outside air systems
- Space mounted zoning units

Semco - www.ruskin.com

- Industrial dampers, fire and smoke dampers, control dampers
- Louvers and air measuring products

Systecon, Inc. - www.systecon.com

- Engineered constant and variable speed water pumping packages
- Variable flow primary chilled water pumping and control systems
- Resylution™ packaged HVAC systems

Thybar - www.thybar.com

- Engineered HVAC equipment modifications for special applications
- Specialty curbs and curb adaptors

Valent Air - www.valentair.com

- Packaged 100% outside air handling units
- Air and water source heat pumps
- Total energy wheel or fixed plate energy recovery
- Digital scrolls, modulating heat, direct drive plenum fans
- Preprogrammed control solutions including VAV, DCV, and air flow monitoring

Vibration Eliminator Company- www.veco-ny.com

- Wide range of spring and rubber-in-shear mounts for the control of vibration, shock and noise in the HVAC, marine and industrial fields
- Specialty curbs and curb adaptors

Viessman - www.viessmann.com

- World's leading condensing boiler manufacturer
- Inox-Crossal heat exchanger constructed of high grade SA 240-316 Ti stainless steel
- Flat plate and evacuated tube solar collectors
- Biomass wood fuel boilers
- Integrated and custom system control solutions

Yaskawa - www.drives.com

- Manufactures, sells, distributes, and provides technical support for AC Drives
